

U20s Junior Sabre International Information

Dear Fencer

Please find below details for the 09/10 season for U20s junior international sabre season. It is the aim to select 9 fencers for each competition, initially based on updated Junior National Rankings on the selection date, that the fencer is not injured, have a good disciplinary record and have satisfied the selectors they are on a performance training programme. Questionnaires will be issued shortly so you and your coach can detail your training programme and performance goals for the season.

All under 18 year old fencers must use the official flights indicated below or be chaperoned by a parent or designated guardian, agreed by the trip's Chef de Mission before booking. Over 18s are able to travel independently to a designated meeting point but this also must be agreed by the Chef de Mission.

Any queries please contact International U20 Sabre Team Manager, Beth Davidson, email beth.davidson@northumbria.ac.uk. Tel. 07834884194
